## Newsletter – August 2008

### Recent DFA News

If you missed the August 23<sup>rd</sup>, 2008 meeting you also missed out on some great food and your chance to participate in decisions made about running this organization. The DFA accomplished a whole bunch of great stuff at our meeting on August 23<sup>rd</sup>, 2008. **We have new officers, changes in officer and board member positions, and a new constitution and bylaws.**

Enclosed with this newsletter is a draft of our new Constitution and Bylaws for the DFA. There is a REJECTION BALLOT enclosed as well. **The new Constitution and Bylaws automatically become effective in 30 days UNLESS more than 2/3rds of the rejection ballots are returned to the Secretary-Treasurer within that time. So if you missed the meeting, you still have a chance to vote against the changes. This way every member has a say in the final authorized changes to our governing document.**
